

You're Ready to Take the Next Step in Your Career

Take Advantage of Certification and Skill Building Opportunities

Benefits of Classroom Learning

A traditional classroom has the added value of face-to-face interaction with instructors and peers. With courses and exams scheduled in the United States and Canada, you will be sure to find a class near you.

Highly Interactive

- Ongoing interaction with instructor throughout the entire classroom event.
- Face-to-face interaction with peers/professionals.

Components

- On-site instructor-led delivery of course modules, discussions, exercises, case studies and application opportunities.
- Supplemental learning elements such as: audio/video files, tools and templates, articles and/or white papers.
- E-course materials available two weeks prior to the course start date; printed course materials ship directly to the event location.

Duration

- Certification classes — 2 days
- Skill building classes — 1 or 2 days

Tech Needs

- Specific requirements are clearly noted on the course page
